

Rules of procedure

Any individual entering the site has taken note of the internal regulations and undertakes to respect them. The site is authorized to expel any person who violates the rules or who is within the site without a valid entry ticket. The site disclaims all liability towards individuals who do not respect these basic safety rules : Any breach can lead to serious consequences.

The whole team wishes you a pleasant visit and thanks you for coming!

Rule 1 : Visitors can only enter the site if they are in possession of valid entrance tickets and only by using the entrances indicated for this purpose. Entrance tickets must be kept throughout your visit and must be presented on request. People under the influence of alcohol and/or drugs may be refused entry to the park or expelled if necessary. Children under 18 must be accompanied by an adult to access the site. In particular, the leaders of groups of children are responsible for the latter. Any minor child, any disabled person, any sick individual must be accompanied by an adult and remain under his supervision and responsibility.

Rule 2 : The site is equipped with a video surveillance system. We ask you to behave responsibly and carefully in all circumstances.

Rule 3 : The site is located in a humid tropical zone. As a result, you may be exposed to high heat. We recommend that you stay well hydrated and bring water to cool off along the route.

Rule 4 : It is requested to wear walking shoes (closed, flat and non-slip) and it is mandatory to wear clothes (respecting modesty/decency and in order to protect yourself from sunburn, rain, mosquito bites, etc.).

Rule 5 : The park declines all responsibility in the event of loss, theft or damage to your personal effects.

Rule 6 : It is strictly forbidden to:

- leave the trail and cross guardrails or barriers to ensure your safety ;
- walk barefoot on the Site ;
- to run ;
- possess or use weapons, dangerous products or objects (toxic products,

slingshots, knives, sound instruments, etc.). Their use can not only harm wildlife but also change their behavior ;

- smoking or vaping throughout the site ;
- come with animals (except assistance dogs with proof) ;
- enter staff premises or work areas ;
- sit on guardrails and barriers ;
- picnic throughout the site ;
- to use any means of transport (bicycle, scooter, rollerblades, skateboard, etc.) excluding a wheelchair and stroller.

Rule 7 : The site offers you the possibility of taking a walk in height. This route is optional and the visit can continue on the developed path. If you do not wish to take advantage of the treetop trail, you can continue your visit and meet the people accompanying you at the exit of the route indicated on the visit map. The approximate duration of the treetop trail is 20 to 25 minutes.

Once on the bridge, you cannot turn around. Access to the treetop trail is prohibited for children under 8 years old, children measuring less than 1.20m, people weighing more than 110kg, pregnant women and people suffering from heart disease, epilepsy, asthma, serious allergies or any other illness that may occur during the treetop trail. It is therefore of course also forbidden to do so with babies or small children in the arms or installed in a baby carrier, nor with a stroller or any other means of transport (bicycle, scooter, etc.). Each child, aged 8 and over and measuring 1.20 m or more, must be accompanied by an adult.

Walkways and platforms can accommodate a maximum of 2 people per element. Access to the elevated promenade is not recommended for people prone to vertigo. It is forbidden to jump, run on the catwalks and platforms and lean over the nets. Closed non-slip hiking shoes are mandatory.

Due to the length of the route, access to it may be prohibited after a certain time or due to the weather (storms, winds, rain, etc.).

Rule 8 : It is forbidden to touch, pull out or cut plants, flowers or trees on the site.

Rule 9 : The site presents a protected wild flora. It is legally prohibited to collect, remove or possess all or part of a plant, flower or tree.

Rule 10 : Access to the playground is prohibited for any child alone. Children can play there under the supervision and responsibility of their parents or the people who have accompanied them to the site. Each play area is indicated with a specific sign indicating the minimum and maximum age and the maximum number of participants, please respect each instruction.

Rule 11 : Any photo or video for commercial purposes must be the subject of a prior request to the management and be framed by a signed filming agreement. The use of drones is totally prohibited, except with the written authorization of the Management.

Rule 12 : The site can accommodate filming during opening hours, you will be informed of the areas concerned and you can ask not to appear in the image.
